

# Please tell us something about yourself and your feelings about science

How old are you?

Colour the ring that is you

Colour your bubble

I could be a scientist when I'm older if I wanted to.

I have been to a...

Someone in my family is really into science/works in science.

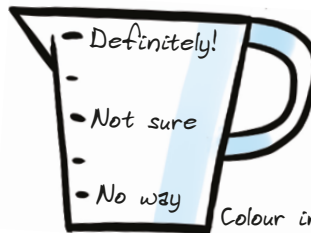

- yes
- no
- don't know

...science museum or science centre before this.

- yes
- no
- don't know

What I am:

- a boy
- a girl
- non-binary etc
- I'd prefer not to say

I would like to have a job in science.

Colour in how much

Please tick if you agree:

- I am happy for my answers to be used in research
- I understand that I will not be named or identifiable in any way in this research
